SUPPLEMENT TO

25X1X

- In mid-November 1950 the People's Revolutionary Military Council (MNE) called a conference of top-ranking personnel of its Hedical Department to discuss measures made necessary by the Korean War. Twenty-seven heads of the Medical Departments of the Field Armies and Military Districts participated. HO Ch'eng (), * head of the Medical Department of the PMLC, presided over the conference and CHU Te; HSIAO Hum (), * a deputy political director in the Chinese Communist Army; and YANG Li-san (据文主) * head of the Supply and Service Command of the Chinese Communist Army were speakers. Officials of the Ministry of Public Health attended the conference as observers.
- The conference lasted five days and was concerned primarily with completing preparations for medical aid to Chinese "volunteers" at the Korean front. FU Lien-chang (1) . deputy head of the Medical Department, summarized the resolutions passed at the conference as follows:
 - To complete modical preparations for "volunteers" in the Korean War and for emergency medical aid at the front.
 - b. To indoctrinate all medical personnel in the armed forces and field hospitals; to strongthen their combat merale and determination to overcome difficulties involved in providing medical service.
 - To recruit medical personnel for the medical service and to assign them duties according to plan,
 - To recruit educated youths for front-line service with the Medical Department and field hospitals.
 - To organize effective medical service in combat areas and to establish additional field hospitals in appropriate locations.
 - f. To hasten the recuperation of the sick and wounded, sending those with
